The Guest Star GIFT GUIDE

What to buy for the cheeky prankster, the unabashed introvert, the showboat, the all-nighter: the coolest ideas for all your favorite characters

The WALLFLOWER

You won't find her working the room, but admiring the hostess's faux-bois tea set? Now we're talking. Her own table is alive with flowers and other pretty garden tributes.

← An understated Harry Winston wristwatch for sneaking glances at the time

A Buccellati picnic set, because a day in the meadow will sub in nicely for a night on the town

← What she's really thinking about during spells of small talk: soft cotton percale pajamas
